Deputy Chief, Administrative Staff, ICS

STAT

FROM:

[Redacted]
Chairman, Foreign Intelligence Priorities Committee

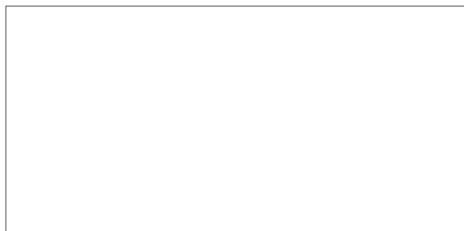

SUBJECT:

Requirement for Three-ring Binders for the 1988 FIRCAP

1. We have requested that the 1988 edition of US Foreign Intelligence Requirements Categories and Priorities be published by PPD in a three-ring binder (Job number 600-348-88). The document is updated throughout the year with replacement pages, and three-ring binders will significantly facilitate maintenance of the document by intelligence consumers and the Intelligence Community.

2. The purpose of this memorandum is to request IC Staff funding of the cost of the binders, which for 1000 binders would be about \$6,000. The enhanced usability that would be achieved by the binders, in our view, merits the expense.
